1. Shipping traffic in the port of Rostock has become more active. The following Russian ships visited the port between 12 and 17 May 1953.

GENERAL AGRAMIAN, about 2,200 tons; loaded reparations goods.

KAPITAN CASTELLO, about 2,000 tons; loaded crates, high-pressure boilers, rotary pumps, ship's paint.

AKADEMIK KARMUNSKII¹, about 2,000 tons; loaded crated goods.

TUNDRA, about 2,000 tons; discharged wheat and went out empty.

KSR (sic), about 2,000 tons, from Arkhangelsk; discharged wheat.

HERCULES; tug.

2. A Russian warship of unidentified type but believed to be probably a coastguard boat also visited the port. [REDACTED] was of very shallow draft, fast, about 55 to 60 meters long, streamlined with a very sharp bow, and had a Diesel engine. It had sloping sides, apparently heavily armored; a small mast with a yard for signaling; a 75 mm. gun forward, a heavy machine gun aft of the main deck, and a machine gun on the quarter deck.

25X1 3. [REDACTED]

4. [REDACTED]

1. [REDACTED] Comment: Sic; possibly AKADEMIK KARPINSKY.
